“We loved holding our event at Big Penny Social; the space is so versatile. The team were very easy to work with, communication was clear, and they completely nailed the brief. The food was delicious too!”

LUCY CHRISTIAN, WAHACA

“We worked with Big Penny to host a party for a major global brand, and the experience was fantastic. The venue provided us with front and back of house spaces, drinks, catering and much more. No ask was too much, and the team was always friendly, helpful and thorough. The event was a huge success.”
